

1. Log in with the Link, Username and Password provided by LabRoots.
2. Click on "Live Presenter Studio" button.
3. Enter in your name and wait for the host to connect.

WEBCAM PRESENTATIONS

1. For webcam presentations the "Broadcast Controls" will be CLOSED when you enter. Please DO NOT click on the "Broadcast Controls" panel or the "Video Bridge" tab during your studio/presentation time.
2. You can use the "Presenter Chat" box to communicate with others in the studio during your presentation. The chat box can be enlarged and used as a separate window.

AUDIO ONLY & WEBCAM PRESENTATIONS

1. Select the "Slides" tab, and click on the "Next >" button on the top of your slide preview to click through EACH slide. This will cache each slide for easy loading during the recording.
2. Once you reached your last slide, go back to slide number one. Please REMAIN on your first slide until the presentation begins. DO NOT click around on other slides.
3. Wait for the orange "Stand By" button to turn green. Green means the recording has begun.

The screenshot shows the webcasts interface with the following elements:

- Top Bar:** "webcasts" logo, a yellow "Stand By 00:00:00" button with a red circle and the number "3" pointing to it, and a user ID "181672".
- Navigation:** "Video Bridge" and "Slides" tabs. The "Slides" tab is selected, with a red circle and the number "1" pointing to it.
- Slide Management:** "Manage Slides" section with a "Sample_Speaker_Slide" and "Next >" button. The "Next >" button has a red circle and the number "1" pointing to it.
- Slide Content:** A slide titled "Epigenomics of common, rare, and somatic variants underlying disease and cancer" with a "ROADMAP epigenomics PROJECT" logo and an "ENCODE" logo.
- Presenter Chat:** A chat window showing messages from "Sarvy Granneman" at 2:49pm.
- Table:** A table with columns for "Answer", "Medium", "Delete", "Assign", and "User".

4. On the green button, there is a timer that will begin to count UP once we are "On Air".

The screenshot shows the webcasts interface with the following elements:

- Top Bar:** "webcasts" logo, a green "On Air 00:00:21" button with a red circle and the number "4" pointing to it, and a user ID "181672".
- Navigation:** "Video Bridge" and "Slides" tabs. The "Slides" tab is selected.
- Slide Management:** "Manage Slides" section with a "Sample_Speaker_Slide" and "Next >" button.
- Slide Content:** A slide titled "Epigenomics of common, rare, and somatic variants underlying disease and cancer" with a "ROADMAP epigenomics PROJECT" logo and an "ENCODE" logo.

- 5. The Q&A section is at the bottom of your screen. This is where you will find your seeded questions, or any questions coming in from the audience during a live presentation.

The screenshot displays the Labroots webcast interface. At the top, the 'webcasts' logo is on the left, and a 'Stand By' button with a 00:00:00 timer is on the right. Event details include 'Event ID: # 1181672', 'Presenters: 1', 'Guest Presenters: 1', and 'Audience (Estimated): 0 / 500'. Below the header, there are tabs for 'Video Bridge' and 'Slides'. The main content area shows a slide titled 'Epigenomics of common, rare, and somatic variants underlying disease and cancer' with logos for 'ROADMAP epigenomics PROJECT' and 'ENCODE'. The presenter is identified as 'Broad Institute of MIT and Harvard' and 'MIT Computer Science & Artificial Intelligence Laboratory'. On the left, a 'Broadcast Controls' sidebar shows 'Manage Slides' with a list of slides. At the bottom, a 'Presenter Chat' window is open, showing a list of questions. A red circle with the number '5' highlights the first question in the chat: 'results less feasible (yes/no) than standardization of imm...'. The chat interface includes buttons for 'Answer', 'Medium', 'Delete', and 'Assign' for each question.
